

The Weight I Didn't Name

Wow, you're fat.
You're just so big
She's so big back

Look at the "B-I-G" on that whore,
That's not good for the pavement.

**Fat bitch. Fatso.
Lard ass. Fatty.**

Thunder thighs. Muffin top. Cankles.
Moose-jaw. Cow. Elephant. WOW, a Rhinoceros!

Should you be eating that? Stop eating
No one is ever going to love you
because you are too fat and ugly

"Please stop calling yourself fat."

You have such a pretty face,
But you'd be prettier if you lost weight.
