## Barron and the Muffin

Barron had a muffin bun.

He said, "This looks like fun!"

He put it by a little tree.

Then said, "Please wait for me!"

But when Barron came back there,

The muffin was not anywhere!

**“Look!”**

said

Barron.

“Where

can

it

be?

I

put

my

muffin

By the tree!”

Ned came by.

"Can I help?"

Barron gave

A little yelp. "Yes! Please **come!**

Please help me **see!**

My muffin is gone

From the tree!"

They looked up.

They looked down.

They looked all over

The little town.

Then Big Bertha hopped by.

She held the muffin way up high!

"Here!" she said.

"I found your treat!"

It rolled away

By my big feet!"

Barron smiled.

"You found it for me!

Now **we** can share

By the tree!"

So, the friends sat

In the sun's light,

And shared the muffin  
With big delight.
